DETAILED ACTION

Response to Amendment

1. This action is in response to the communication filed on 6/21/06.
2. Claims 7-17 have been cancelled in this amendment.
3. Claims 18-24 have been added in this amendment.
4. Claims 1-6 and 18-24 are pending in this action.
5. Claims 1-6 and 18-24 are allowed.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jim Stevens (#35,691) on 3/2/07.

The application has been amended as follows:

Please amend the claims as follows:

In **claim 18, on line 6**, cancel the word "carrier", preceding the word 'signal',

In claim 18, on lines 7-8, rewrite the entire paragraph as 'generating a carrier signal comprising interrupted segments of the carrier signal tone; and' ---,

In claim 19, on line 4, cancel the words "carrier" and "tone"

Allowable Subject Matter

Claims 1-6 and 18-24 are allowed.

The following is an examiner's statement of reasons for allowance:

As per claims 1-6 and 18-24: in light of the specification, the claims are directed to the general area of wireless communication between 'a telephone data connection' initiator (call center) and a call receiver (a telematics unit) (see fig. 1, and accompanying description in the specification), which is well known in the art. The prior art of record does not teach or fairly suggest "modifying a carrier signal by intermittently adding a period of quiescence", as recited in claim 1) or "generating a carrier signal comprising interrupted segments (quiescent intervals) of the carrier signal tone", as recited in claim 18.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
